

Year 3
AUTUMN TERM 2
Home Learning Log

Choose at least one English task, one maths task and one topic/science task from the table below. The tasks are ranked accordingly, from 1 star being the easiest level to 3 stars being the hardest. You can choose which level you complete. If you wish to, you could complete more than three tasks.

Star Ranking:	ENGLISH	MATHS	CREATIVE CURRICULUM/SCIENCE
	Imagine that you fell down a rabbit hole and found yourself in the age of the dinosaurs! What did you see and what adventures did you have? How did you get back home?	Set up your own pretend shop. What items are you going to sell and how much are they? Maybe you could have a go at making your own paper money or coins. What items can you buy for 20p, 50p, £1?	For Science our topic will be rocks and fossils. Find 5 things inside and outside your home that are made of a type of rock/stone. List them in your book and what they are being used for.
	Write an acrostic poem using the letters from the word VOLCANO. V O L C A N O	Work out the answer to these calculations using the column method. Set them out correctly in your book and calculate. Here is an example of how to set them out. $\begin{array}{r} 581 \\ + 238 \\ \hline \end{array}$ $783 + 213 =$ $345 + 223 =$ $106 + 732 =$ $876 - 234 =$ $694 - 452 =$ $998 - 223 =$	Create a picture collage of a volcano scene. Label the different parts of the volcano. You can use coloured paper, crayons, felts, paint or any other art equipment that you have available. 
	Research the eruption of Mount Vesuvius in Italy in 79AD. Record your findings in a way of your own choosing. 	On Sunday I spent 114 minutes on my art project, and 45 minutes on my numeracy homework. On Thursday evening I spent a total of 86 minutes on my history project and 39 minutes reading. What is the difference in minutes between the amount of homework I did on Sunday and Thursday evening?	Make a time line to show the dates that different dinosaur fossils were found. Make your own pretend fossils or prints of fossils of bugs, insects or plants by using different materials such as play dough and plasticine.

Challenge: Create and complete your own task related to your class topic.

Children are expected to read 3 times a week and evidence this on Boomreader. They will be given spellings on a Monday; they need to practice these for a test every Friday. All spellings can be found on Spelling Shed (children have individual logins). The children are also expected to log in to Times Tables Rock Stars weekly and complete challenges.

Please complete and return to your teacher by Friday 13th December 2024.
